

4PIN SSOP LOW INPUT CURRENT PHOTOCOUPLER

### Description

The KPS28010T series is DC-input single channel which contains a light emitting diode optically coupled to a phototransistor. It is packaged in a 4-pin SSOP package. The input-output isolation voltage is rated at 3750Vrms.

### Schematic

- 1. Anode
- 2. Cathode
- 3. Emitter
- 4. Collector

#### Features

- 1. Pb free and RoHS compliant
- 2. High isolation voltage (Viso=3750Vrms)
- 3. Small and thin package (4pin SSOP, pin pitch 1.27mm)
- 4. Low input current type (I<sub>F</sub>=1.0mA)
- 5. Current transfer ratio

(CTR: 100~600% at I<sub>F</sub>=1.0mA, Vce=5V).

- 6. High collector to emitter voltage (V<sub>CEO</sub>=80V).
- 7. High-speed switching tr = $3\mu s$  (typ.), tf = $5\mu s$  (typ.).
- 8. MSL class 1
- 9. Agency Approvals:
  - UL Approved (No. E169586): UL1577
  - · c-UL Approved (No. E169586)
  - VDE Approved (No. 40010469): DIN EN60747-5-5
  - FIMKO Approved: EN62368-1, EN60601-1
  - CQC Approved: GB8898-2011, GB4943.1-2011

### Applications

- Programmable logic controllers
- · Measuring instruments
- Power supply
- Hybrid IC

### Recommended Soldering Conditions

#### (a) Infrared reflow soldering:

■ Peak reflow soldering : 260°C or below (package surface temperature)

■ Time of peak reflow temperature : 10 sec
■ Time of temperature higher than 230°C : 30-60 sec
■ Time to preheat temperature from 180~190°C : 60-120 sec

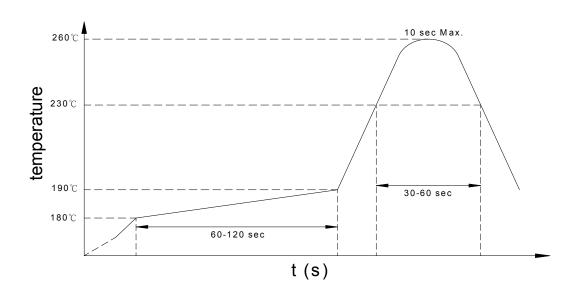

■ Time(s) of reflow: Two

■ Flux : Rosin flux containing small amount of chlorine (The

flux with a maximum chlorine content of 0.2 Wt% is

recommended.)

### Recommended Temperature Profile of Infrared Reflow

### (b) Wave soldering:

■ Temperature : 260°C or below (molten solder temperature)

■ Time : 10 seconds or less

■ Preheating conditions : 120°C or below (package surface temperature)

■ Time(s) of reflow : One

■ Flux: Rosin flux containing small amount of chlorine (The flux with a maximum

chlorine content of 0.2 Wt% is recommended.)

(c) Cautions:

■ Fluxes: Avoid removing the residual flux with freon-based and chlorine-based

cleaning solvent.

Avoid shorting between portion of frame and leads.

### Application Notice

The statements regarding the suitability of products for certain types of applications are based on cosmo's knowledge of general applications of cosmo products. Such statements are not binding statements about the suitability of products for a particular application. It is the customer's responsibility to verify the specifications are suitable for use in a particular application. Customers are solely responsible for all aspects of their own product design or applications. The parameters provided in the datasheet may vary in different applications and performance may vary over time. All operating parameters (including typical parameters) must be validated by customer's technical experts for different applications. cosmo assumes no liability for customer' product design or applications. Product specifications do not expand or otherwise change cosmo's terms and conditions of purchase, including but not limited to the warranty expressed therein.

When using cosmo products, please comply with safety standards and instructions. cosmo has no liability and responsibility to the damage caused by improper use of the instructions specified in the specifications.

cosmo products are designed for use in general electronic equipment such as telecommunications, office automation equipments, personal computers, test and measurement equipments, consumer electronics, industrial control, instrumentation, audio, video.

cosmo devices shall not be used in equipment that requires higher level of reliability and safety, such as nuclear power control equipment, telecommunication equipment(trunk lines), space application, medical and other life supporting equipments, and equipment for aircraft, military, automotive or any other application that can cause human injury or death.

cosmo reserves the right to change the specifications, data, characteristics, structure, materials and other contents at any time without notice. Please contact cosmo to obtain the latest specification.

cosmo disclaim any and all liability for any errors, inaccuracies or incompleteness contained in any datasheet or in any other disclosure relating to any product.
